## Professional Summary

---

Results-driven Software Engineer with 2.6 years of experience in software development, database management, and cloud technologies. Proficient in Java, Python, and PL/SQL, with a strong ability to analyze and solve software engineering problems. Adept at designing, developing, and optimizing software solutions while ensuring best practices and high performance. Passionate about research, innovation, and team collaboration to drive efficient software engineering solutions.

## Technical Skills

---

- **Programming Languages:** Java, Python, SQL, PL/SQL
- **Web Technologies:** HTML, CSS
- **Databases:** Oracle, SQL Loader
- **DevOps & Cloud:** Docker, OpenShift
- **Version Control:** Git, GitHub Copilot

## Professional Experience

---

### Infosys Limited

Systems Engineer

Mumbai, IN

Oct 2022 – Apr 2025

- Developed and optimized software solutions to ensure performance, reliability, and maintainability.
- Designed and implemented PL/SQL procedures for robust data validation, ensuring data integrity and accuracy.
- Created and managed financial processing systems, handling accounts payables and purchase order invoices using PL/SQL, EBS forms, Report Builder, and SQL Loader.
- Engineered and maintained database functionalities, optimizing Oracle performance through stored procedures and triggers.
- Contributed to a banking application using Angular and Spring Boot, enhancing user experience and improving system efficiency.
- Built and maintained Docker images for seamless application containerization and migration.
- Deployed applications on OpenShift using CLI and Web Console, ensuring optimal scalability and performance.
- Led technical initiatives and collaborated with stakeholders to drive software engineering best practices

## Certifications

---

- **Microsoft Certification** – Introduction to Programming using Python
- **NPTEL (IIT Kharagpur)** – Introduction to Internet of Things

## Education:

---

Sinhgad Institute of Technology (CGPA | 8.91 / 10)

Bachelor Of Engineering (B.E) in Information Technology.

Lonavala, Mumbai, IN

May 2022
